DWC NOTAM 05-3

SUBJECT: LOCAL OPERATING AREAS & AIRPORT REQUIREMENTS

EFFECTIVE DATE: Immediate

Until further notice, Jaffrey/Silver Ranch airpark (KAFN) may not be used for normal operations (takeoff, landing, practice approaches, training, etc.).

There have been numerous reports of false ATC communications. Airport management has also precipitated conditions that may result in dangerous and unsafe practices.

Thank You

A handwritten signature in blue ink, appearing to be "Stephen K. Brown", written over a horizontal line.
